TWILIGHT SKY

No. 47-6

Pink Cameo X Flora Dora

\$20.00

DURING THE PAST four years I have bloomed many hundreds of Pink Iris, and this is the best. A pink of exceptional form and substance with pink buds and red beard. Standards are domed and falls flare at just the right angle.

The flower is medium in size, tailored, and the haft is clean. The widely spaced flowers are carried on a strong, graceful 35-inch stem. Plant is hardy, vigorous, and a very fast increaser.

Snow Flurry X Fay 41-11

\$17.50

A white Iris which is neither a warm nor a cold white but is as white as new snow. The beard is full and bright yellow, adding a great deal of life. This is the only color in the flower, as there are no haft markings.

A sturdy and well-branched stalk 40 inches tall holds the large, ruffled and flaring flowers well aloft. Mid-season; hardy and a fast increaser.

Rating 91, 1947 Symposium 100 Best. H. C. 1945; H. M. 1946. Pictured on Page 203, "The Iris, An Ideal Hardy Perennial."
